- SOLAS 1974, P88, Chapter I/Reg.11(c) (as amended);

For the purpose of improving the exchange of information in relation to Port State Control (PSC) inspections conducted on board Gibraltar registered vessels, this Administration requires all Owners/Operators/Masters to report the results of all PSC inspections to the Am.

All PSC inspection reports should be sent to the Survey Division, email: [maritime.survey@gibraltar.gov.gi](mailto:maritime.survey@gibraltar.gov.gi)

Furthermore actions taken by Owners/Operators/Masters to correct the deficiencies (including appropriate corrective action to avoid a recurrence) found during PSC inspections should be forwarded to the GMA Survey Division.

The GMA recommends that this procedure is included in the operators' ISM system.
