Maritime Labour Notice (MLN) – 037

To: Ship Owners, Operators, Masters, Officers and Certifying Authorities

Maritime Labour Convention (MLC): Inspection of Coded Vessels

Documents referred to in this notice:

Maritime Labour Convention 2006 (MLC)

MGN 600 (M) (as amended)

The Workboat Code (as amended)

These requirements apply to Gibraltar Registered vessels which are surveyed and certified under the Workboat Code (as amended).

Gibraltar Maritime Administration (GMA) considers the application of the UK Maritime and Coast Guard Agency (MCA), Marine Guidance Note (MGN) 600 (M) (as amended), as a substantial equivalence in respect of compliance with the Maritime Labour Convention (MLC) requirements, for vessels where it is not practical to comply with the full MLC standards set out in part A of the MLC Code.

Certifying Authorities are required to apply the requirements of the UK MCA MGN 600 (M) (as amended) for vessels certified under The Workboat Code (as amended) with the exception of sections 4.2 and 4.3 of MGN 600, where the GMA will issue any MLC certification for Gibraltar registered vessels.

Applications for Maritime Labour Certificates should be made to:
